Social Innovator Showcase & Warm Winter Welcome Opportunities & Benefits

The Social Innovation Forum (SIF) hosts two main events each year: Social Innovator Showcase (May) and the Warm Winter Welcome (December). Both events allow us to amplify community leaders who are working on the ground, day in and day out, to positively transform individual lives, families, and entire communities through an equity lens.

As an SIF event sponsor, you will directly support social change in Eastern Massachusetts. Additionally, you will gain visibility in our vibrant social impact community of thousands of nonprofit and community leaders, entrepreneurs, philanthropists, and business executives. Sponsors will receive recognition and related benefits for both the Showcase in May and Warm Winter Welcome in December.

Annual Spring Showcase & Warm Winter Welcome

Social Innovator Showcase Event Overview

May 15, 2025 | Artists for Humanity

The Social Innovator Showcase is SIF's signature event, an exciting and vibrant evening when Eastern Massachusetts' innovation and social change communities gather to hear effective and innovative nonprofits explain their solutions to our region's toughest social issues. The evening begins with food and networking leading up to the main program: six high-energy presentations from nonprofit "Social Innovators" to an audience of 200+ philanthropists, business executives, and foundation leaders.

Warm Winter Welcome Event Overview

December, 2025

SIF's Warm Winter Welcome brings together about 150 nonprofit leaders, business executives, philanthropists, and community leaders. At the event, we will welcome the next cohort of "Social Innovators" – six of Eastern Massachusetts' most innovative and effective nonprofits selected for SIF's 2-year Accelerator program. We will also celebrate the accomplishments of the other two cohorts who are at different points along their full Accelerator journeys.
