About Us

The Social Innovation Forum (SIF) provides a unique combination of capacity building and network building to create a positive social change in Eastern Massachusetts. We intentionally cultivate an active community of supporters (funders, investors, and volunteers) and practitioners (nonprofit and social business leaders) with the goal of building authentic, productive relationships focused on growing social impact.

Our Mission

The mission of SIF is to create positive social change in Eastern Massachusetts by engaging leaders, strengthening organizations, and building networks.

Our Approach

SIF forges partnerships between innovative social impact leaders and engaged supporters (funders, investors, and volunteers) who collaborate to grow social impact.

Annual Spring Showcase & Warm Winter Welcome

Social Innovator Showcase Event Overview

May 14, 2026 | Artists for Humanity

The Social Innovator Showcase is SIF's signature event, an exciting and vibrant evening when Eastern Massachusetts' innovation and social impact communities gather to hear effective and innovative nonprofits explain their solutions to our region's toughest social issues. The evening begins with food and networking leading up to the main program: seven high-energy presentations from nonprofit "Social Innovators" to an audience of 200+ philanthropists, business executives, and foundation leaders.

Warm Winter Welcome Event Overview

December, 2026

SIF's Warm Winter Welcome brings together about 150 nonprofit leaders, business executives, philanthropists, and community leaders. At the event, we will welcome the next cohort of "Social Innovators"—six to eight of Eastern Massachusetts' most innovative and effective nonprofits selected for SIF's two-year Accelerator program. We will also celebrate the accomplishments of the other cohorts who are at different points along their full Accelerator journeys.

Social Innovator Showcase & Warm Winter Welcome Opportunities & Benefits

As an SIF event sponsor, you will directly support social change in Eastern Massachusetts. Additionally, you will gain visibility in our vibrant social impact community of thousands of nonprofit and community leaders, entrepreneurs, philanthropists, and business executives. Sponsors will receive recognition and related benefits for both the Showcase in May and Warm Winter Welcome in December.
